One-day Workshop on
Algebraic Number Theory
on Monday, 18th September, 2017
Organized by
School of Mathematics & Statistics, University of Hyderabad, Hyderabad
(under UGC-SAP-DSA-I Programme)

Introduction and Aim of the Workshop:

Number theory is a classical branch of Mathematics popularly known as The Queen of Mathematics. Algebraic Number Theory is a branch which began with the study of algebraic numbers and flourished through the work of mathematicians in the past two centuries. In this workshop, the speakers will introduce various topics which comes under the broad umbrella of number theory in general and algebraic number theory in particular and give an exposition of some recent results.

Speakers:

Prof. C.S. Rajan (TIFR, Mumbai)
Prof. A. Sankaranarayanan (TIFR, Mumbai)
Dr. U.K. Anandavardhanan (IIT, Bombay)
Dr. K. Vishnu Namboothiri (Dept of Collegiate Education, Kerala)

Registration - Free (through email)

Organizing Committee: 1) Prof. B. Sri Padmavati, Coordinator & Dean, School of Mathematics & Statistics
      2) Dr. Archana S. Morye, School of Mathematics & Statistics

Address for Correspondence:

School of Mathematics & Statistics, University of Hyderabad, P.O. Central University, Gachibowli, Hyderabad – 500 046.
